Mallory International is probably the leading Africa specialist among British exporting booksellers, handling orders of any size, from major textbook tenders to the normal requirements of colleges, NGOs and schools.

We are delighted to appoint Caroline Mutandwa of Best Books of Harare as our Representative in Zimbabwe. This gives us a strong local presence, and an immediately available point of contact with the customer. Contact details are listed below.

Caroline Mutandwa has over ten years bookselling experience, dealing with the needs of educational institutions in Zimbabwe. We have worked with her in the past, and with Best Books will be able to offer a comprehensive service covering all aspects of customer requirements.

The range of services offered is shown opposite; and Mallory also has a purchasing office in the United States, to deal with specialised titles published there, and not widely distributed in other countries.

We pay particular attention to:

- the details of supply;
- the reliability of local delivery;
- the precision of consolidation and paperwork; and
